* Intake: Students may be eligible for the July intake if they are eligible for academic credit in appropriate Autumn Session (Feb) units									
** Key programs within the B Business and Commerce are available at various campuses and are offered at different intakes. When listing the B Business and Commerce and your preferred key program on your application form, please ensure you specify the campus and intake you wish to study. Programs offered at Blacktown campus for the B Business & Commerce program will change campus from 2009 to either Parramatta or Campbelltown.									
*** Please contact UWS International for specific details on international student entry requirements into the B Medicine/B Surgery.									
^ The B Nursing (Graduate Entry) 4643 requires completion of 170 credit points ie. 1st year 100 credit points; 2nd year 70 credit points. The first year includes a pre-requisite introductory unit which is worth 20 credit points (UWS units are usually 10 credit points) studied in the summer session. Therefore, annual fees are set out as follow: 1st year \$24,500; 2nd year \$17,150. Total estimate 2009 course fee: \$41,650. Note: All students will need to successfully complete the pre-requisite introductory unit called 'Introduction to Nursing' before being allowed to continue their study in the B Nursing (Graduate Entry). This unit has been organised to enable student feedback from week one (1). Students will be alerted in week three (3) of study if they are at risk of not passing the unit. If students do not pass the pre-requisite introductory unit, they will automatically be made an offer into the standard three (3) year B Nursing program (code 4642) for the February 2009 intake. Alternatively, students may nominate another UWS course for which they would like to be assessed entry. A special orientation program for B Nursing (Graduate Entry) students will start on Friday, 2 January 2009.									
# Completion of the UWS B Arts provides you with the opportunity for entry into the Master of Teaching (Primary) (Bankstown Campus) and Master of Teaching Secondary (Penrith Campus). Please check the website for details.									
## The M Teaching (either Primary or Secondary program) is also available in 12 months accelerated mode. The consecutive combination of an undergraduate Arts degree and postgraduate teaching qualification will prepare students for a career in primary or secondary teaching (depending on the Masters studied). This can be completed in 4 years of study if the M Teaching 12 months accelerated mode is undertaken. Please check the website for details.									
English language requirements: all undergraduate programs (except medicine) require IELTS 6.5 overall score with a minimum 6.0 in each subtest. Please refer to <a href="http://www.uws.edu.au/international/english.html">www.uws.edu.au/international/english.html</a> for further details.
